

“I am not going to lament. I am going to go out there, take control of my own narrative and choose the stories I want to tell and the filmmakers I want to work with”

“I feel like now we are in the 2.0 era of the OTT revolution where we need to rethink what kind of stories we are putting out there and who we want to reach”

HUMA QURESHI, *Actor*

“Normally, it takes 16 to 20 days to set up a business in India, sometimes it might take a month... But in Dubai, you can set up a company in just three to four days, with zero bureaucracy and zero corruption”

“Luxury comes with durability and sustainability.... We have seen 37 times real estate growth in Macau when that casino got opened there”
