Footnotes

1 The meetings they held between them have been explained lucidly in an essay posted on China's Foreign Ministry website [Online: web], accessed on June 23, 2016, http://www.fmprc.gov.cn/mfa_eng/wjb_663304/zzjg_663340/dozys_664276/gjlb_664280/3220_664352/.

2 Since then, the concept of global governance became part and parcel of the Chinese media and official documents. Yizhou, Wang. (1995). Lianheguo Yanjiu Zhong de Ruogan Zhongdian he Dongxiang. Several foci and directions of UN studies, Zhanlue yu Guanli (Strategy and Management), No. 6 (1995).

3 The detailed explanation has been mentioned in the Jiang Jemin's speech of 16th CCP Congress in 2002 [Online: web], http://www.china.org.cn/english/features/49007.htm.

4 The full form of it is "Responsibility to Protect", it is new international security and human rights norms to address the international community's failure to prevent, and to stop genocide, war crimes, ethnic cleansing and crimese against humanity.
