Further, Table 2.18 talks about the foreign exchange reserves of the BRICS countries. It says that the foreign exchange reserves of the BRICS countries are consistently increasing. The BRICS countries hold a significant share of the global foreign exchange reserves. It will give them an added advantage for the BRICS to play an important role in emerging international political-economic relations (Fig. 2.5).

Table 2.18 Foreign exchange reserves (million US$)

Countries	2014	2015	2016	2017	2018	2019
Brazil	363,551	356,464	365,016	373,972	365,544	
Russia	327,727	309,387	308,031	346,507	371,733	433,297
India	304,223	341,638	360,176	369,955	412,871	481,892
China	3,843,018	3,330,362	3,010,517	3,139,949	3,072,712	3,107,924
South Africa	49,102	45,787	47,356	50,722	51,641	55,058
