Footnotes

1 The book titled '*The History of the Peloponnesian War*,' written by Thucydides in the year 431 BCE was translated by Richard Crawley. Thucydides is considered to be the first 'international realist.' It can be read at: http://classics.mit.edu/Thucydides/pelopwar.1.first.html.

2 This idea was suggested by the Austrian Chancellor, Kaunitz, and was a series of power alliances established in March 1814 between Great Briton, Prussia, Russia, and Austria.

3 Consisting of Australia, New Zealand, Canada, and the United States, these countries have experienced much more rapid growth since 1820 than Western Europe.

4 The new group called 'MIKTA' (Mexico, Indonesia, South Korea, Turkey, and Australia) emerging as a shadow group of BRICS. These countries can be called 'Middle Powers.'

5 It is published by IMF economists, and analyzes global economic development, issues affecting advanced, emerging, and developing economies, and other topics of current interests.
