4 Luxury on the Move

Italian luxury brand Tonino Lamborghini has partnered with HYBON to launch India's first luxury elevator collection. The collaboration introduces four bespoke cabin collections, Impero, Marte, Sommo and Dinamico, designed to turn vertical mobility into an iconic lifestyle statement. Blending high-end Italian design with premium engineering, the cabins feature bold geometries, metallic finishes and carbon-fibre textures. The tech-forward elevators operate at a high speed of 1.75 m/s and boast AI-enabled facial recognition, 39-inch interactive touchscreens and mood-driven, climate-controlled interiors.

5 Symmetry in Harmony

Bridging the gap between traditional Indian craftsmanship and contemporary design, Morphed has launched its latest home decor collection, Samroop. Derived from Sanskrit roots meaning harmonious form, the collection highlights the balanced rhythms found in nature, such as the geometry of flowers and the unfolding of petals, reimagining them through a distinctly Indian lens. The range features premium wall plates, mugs, trays and lifestyle pieces.

6 Zest For Life

Bringing a burst of sunshine into contemporary spaces, Chumbak has launched its vibrant summer collection, Citrus Zest. Drawing inspiration from classic Indian summers, from roadside nimbu pani to home-style poha, the range features a cheerful interplay of zesty yellows, leafy greens and hand-drawn citrus motifs. Adding a unique cultural twist, the indigenous Mudhol hound serves as the collection's playful mascot. The eclectic, mood-driven line-up spans statement cushions, lemon-shaped trays, hand-painted stoneware, artisanal wooden serveware and summer-ready carryalls.
