

Le Creuset launches Bleu Riviera

a vibrant, refreshing new Blue

Bleu Riviera: The Art of Living Well

A Coastal Space
Le Creuset has launched an all new breezy and exuberant new hue - Bleu Riviera in India. Bleu Riviera captures the quiet luxury of the Mediterranean coast in a single, striking shade. Its glossy blue-green surface shimmers like sunlit waters, while a classic gold knob captures light like a beautiful Mediterranean sunset, adding a touch of timeless refinement.

This captivating colour recalls the coast at its most alluring - from the warmth of seaside cafés and sun-drenched streets to evenings that unfold in the open air, carrying an effortless rhythm that feels both refined and relaxed. Bleu Riviera is a mood of unhurried luxury, a nod to afternoons spent seaside and evenings that glow with quiet, effortless elegance.

A Mediterranean getaway for your home
From golden-hour strolls to open-air dinners, Bleu Riviera channels the rhythm of Mediterranean living -relaxed, refined, and full of possibility. It's more than a colour - it's a moment, a mood, and a movement toward slow, intentional living.

"Every new colour from Le Creuset tells a story, and Bleu Riviera has a story of effortless Mediterranean elegance," says Anannya Sabarwal, Managing Director, Le Creuset India. "We are delighted to introduce it to our Indian consumers, who continue to embrace Le Creuset for its exceptional performance and the joy and personality it brings to their homes. This new shade offers a fresh way to express personal style while staying true to our century of craftsmanship." says Annanya Sabarwal, Managing Director, Le Creuset India.

More than a colour—it's a destination
Taking inspiration from Caribbean, Bleu Riviera refreshes the Le Creuset palette with a trend-forward tone that resonates in its versatility. Whether you're preparing a leisurely lunch or hosting al fresco dinners, Bleu Riviera brings the coast to your kitchen.
