Crucible of Coders

Maharaja Surajmal Institute, New Delhi, is reaching new heights by bagging enviable placement packages and building a bustling student community

By **SONALI ACHARJEE**

From hackathons and startup competitions to placement drives and student festivals, Maharaja Surajmal Institute (MSI) has become one of the most dynamic campuses in the Guru Gobind Singh Indraprastha University ecosystem. The institute in Janakpuri has built its reputation not only on strong placements, including opportunities with leading recruiters and a highest package of Rs 23.5 lakh per annum, but also on a campus culture that encourages innovation. That reputation is marked by
