RAJWANT RAWAT

its rise in the rankings from No. 8 in 2022 to No. 4 this year, making it the most improved college in its category.

Says Prof. Rajbir Singh, director, Maharaja Surajmal Institute. "Our focus is not only on preparing students for successful careers but also on nurturing responsible, confident and future-ready leaders." The institute offers a diverse portfolio of professional programmes, with BBA (Hons.), BCA (Hons.) and BCom (Hons.) emerging as particularly popular choices. According to Prof. Singh, these programmes "combine strong academic foundations with industry relevance, skill development and excellent placement outcomes".

Beyond academics, MSI has cultivated a vibrant culture built around leadership and real-world learning. More than 20 active student societies, including National Cadet Corps, National Service Scheme, Entrepreneurship Cell, Model United Nations and the Placement Cell, give students opportunities to build confidence, teamwork and organisational skills. In an increasingly competitive world, MSI's greatest strength may be its ability to develop not just employable graduates, but adaptable young professionals ready to lead and thrive. ■

*The college that has shown the highest improvement in rankings between 2022 and 2026

SHARDA UNIVERSITY
