DAYANAND MEDICAL COLLEGE & HOSPITAL, LUDHIANA

A PREMIER INSTITUTION IN TRANSFORMATIVE MEDICAL EDUCATION, ADVANCED RESEARCH AND CUTTING-EDGE PATIENT CARE

Dayanand Medical College & Hospital (DMC&H), Ludhiana started its journey in 1934. DMC&H along with its specialized unit, Hero DMC Heart Institute stands as a benchmark of excellence in medical education and healthcare services in North India.

Known for its comprehensive medical education course offerings, comprehensive & affordable healthcare with use of latest technology, a rich history of achievements and state-of-the-art infrastructure, DMC & Hospital continues to be the most preferred choice for students and patients alike.

THE COLLEGE (TEACHING COURSES)

Dayanand Medical College (DMC) is renowned for its robust educational framework, which is equipped with advanced infrastructure to support a wide array of medical courses i.e. Medical, Nursing, Allied & Healthcare and Clinical Psychology. The institution offers MBBS at the undergraduate level, MD and MS courses at the postgraduate level, and DM and M.Ch courses at the super-specialty level. Affiliated with Baba Farid University of Health Sciences, Faridkot, and recognized by the National Medical Commission (NMC), DMC is a preferred destination for medical students from India and abroad.

The college offers 150 seats per year for the MBBS program, 107 seats per year across 19 MD/MS courses, and 35 seats per year across 10 DM/MCh courses. Additionally, there are 6 seats available for the MPhil in Clinical Psychology, 135 seats per year for BSc/MSc and 100 seats per year for Allied & healthcare diploma courses across ten specializations. DMC is planning to start MD Emergency Medicine, MD Pulmonary Medicine and DM Endocrinology. DMC is also soon launching a College of Physiotherapy with 50 seats.

DMC has produced approximately 3300 graduates and 2200 postgraduates, including super specialists, contributing significantly to the medical field.

STATE-OF-THE-ART INFRASTRUCTURE

DMC's infrastructure is designed to provide a conducive learning environment and comprehensive facilities for students. More than 200 internationally & nationally acclaimed faculty help the students to learn & achieve their dreams of being a good doctor, specialist and super-specialist. The college is having modular UG labs equipped with binocular microscopes & latest equipment, skill lab with low-medium fidelity mannequin to help students perfect their skills, a dedicated computer assisted learning lab and 3 Community health centres. The campus is fully air-conditioned and WiFi-enabled, ensuring comfort and connectivity for all. The centrally air-conditioned hostels are equipped with gymnasiums and modern amenities, creating a home-like atmosphere for students. The campus includes an auditorium for indoor activities and various playgrounds for outdoor games & activities like football, cricket, hand ball, tennis, basket ball etc. The well-stocked library spans 24,000 square meters, housing 20,000 text and reference books, a 22000 collection of Back volume journals and subscribing to 216 international and national journals (both online and hard copies). It has dedicated computer terminals for students to access literature to improve their learning.

Medical College

The college is NABH accredited a testament to its high standards of education and healthcare.
