### SALIENT ACHIEVEMENTS

Dayanand Medical College has garnered several accolades over the years, establishing itself as one of the top private medical colleges in India. The college is NABH accredited a testament to its high standards of education and healthcare. In 2025, DMC was ranked 1st in North India and 4th among all private medical colleges in India by The Week Magazine. It also secured 36th rank in the National Institutional Ranking Framework (NIRF) by the Ministry of HRD, Government of India.

### THE SCHOLARSHIPS

DMC&H started a scholarship programme worth over ₹6 crores per year from the academic year 2025–26. This first-of-a-kind initiative by a private medical institution in the state aims to make medical education more accessible to those who deserve but are without the necessary means. Over five dozen scholarships are offered across several distinct categories including children of Indian Defence Services personnel. These are aimed at meritorious, economically challenged and deserving students.

### RESEARCH & DEVELOPMENT

The institution has a vibrant research and development wing, having published 1265 papers (922 international & 343 national) over the last five years.

### DMC & HOSPITAL

The hospital serves as a preferred healthcare destination for people from Punjab and the surrounding states of Himachal Pradesh, Haryana, Rajasthan, Jammu & Kashmir, and Chandigarh, as well as NRIs. The hospital is a 1625 bedded facility, offering services across 16 specialties and 19 super specialties, supported by over 500 doctors and more than 5000 employees. The hospital treats over $14^{+}$ lac patients annually,
