Bachelor of Fashion Design, Batch of 2026

internships and placements. The student-led entrepreneurship cell, on the other hand, encourages innovation through case-study competitions, collaborative projects and industry-linked initiatives. The NIFT Foundation for Design Innovation Incubation Cell will also help here, giving students a structured platform to develop business ideas and entrepreneurial ventures.

NIFT Delhi also plans to introduce a dedicated student media team in 2026 that will manage social media engagement and public relations initiatives for the campus, giving students valuable experience in communication, storytelling and brand management.

Creating a supportive campus is a priority. At the heart of this effort is NIFT Delhi's academic mentoring system, under which faculty guides small groups of students throughout their academic journey. A popular elective on gender sensitisation has also been introduced to encourage acceptance, respect and awareness across the student community. ■
