KL DEEMED TO BE UNIVERSITY DRIVING FUTURE-READY EDUCATION THROUGH INNOVATION & OUTCOMES

A Legacy Built on Engineering Excellence: With over four decades of academic excellence, KL Deemed to be University has established itself as a leading institution where engineering education is driven by innovation, industry relevance, and academic rigor. The university continues to nurture future-ready professionals equipped to thrive in a dynamic global environment.

Industry-Integrated Learning Approach: The university's curriculum is aligned with emerging technologies such as Artificial Intelligence, Data Science, IoT, and Cybersecurity. Through industry interactions, experiential learning, internships, and hands-on projects, students gain practical skills that bridge the gap between classroom learning and real-world application.

A Multi-Campus Ecosystem of Excellence: KL University's academic footprint includes its flagship campus at Vaddeswaram, Vijayawada, along with campuses at Aziznagar and Bachupally in Hyderabad, and the KLH Global Business School at Kondapur. Together, they offer modern infrastructure, specialized learning environments, and strong industry engagement.

Research and Innovation at the Core: Advanced laboratories, funded research initiatives, industry collaborations, and a vibrant incubation ecosystem encourage students to pursue innovation and entrepreneurship while contributing to meaningful research outcomes.

Strong Career Outcomes and Placement Success: The current placement season has recorded over 6,300 offers, with more than 4,700 students placed. The highest international package stands at ₹81 LPA, while over 150 students have secured packages above ₹25 LPA and more than 630 students have received offers exceeding ₹15 LPA.

Holistic Development: Beyond academics, students actively participate in sports, cultural activities, leadership programs, and community initiatives, ensuring well-rounded growth and preparing them to become confident, skilled, and socially responsible leaders.

AVANTHI: NURTURING FUTURE LEADERS THROUGH EDUCATION & INNOVATION

Founded in 1991 under the visionary leadership of Founder Chairman M. Srinivasa Rao, Former Minister for Tourism, Culture & Youth Advancement for the state of Andhra Pradesh, Avanthi Educational Society has evolved into a distinguished multi-disciplinary educational network comprising around 16 colleges across Andhra Pradesh and Telangana. With a legacy of 35 years of academic excellence, the Society caters to over 25,000 students by offering a wide spectrum of programmes in Engineering, Technology, Pharmacy, Management, Commerce, Polytechnic, and Sciences at various levels, fostering quality education and holistic development.

Our Commitment to Quality Education

For over three decades, Avanthi Educational Society has been committed to quality education through a student-centric approach. With modern classrooms, digital laboratories, advanced infrastructure, and experienced faculty, the institution fosters academic and professional excellence. Through practical exposure, industry-oriented training, and comprehensive career support, students are empowered with the skills and knowledge required to succeed in their chosen fields.

Diverse Courses and Programs

Avanthi Educational Society offers a wide array of courses, including:

- B.Tech (CSE, AI & ML, Data Science, Cyber Security, ECE, EEE, Civil, Mechanical)
- B.Pharmacy, Pharma D
- M.Tech, MBA, MCA, M.Pharmacy.
- BBA, B.Com., B.Sc., BCA and Diploma Programmes.

Holistic Development

Avanthi Educational Society encourages students to actively participate in sports, cultural activities, leadership programmes, and community service initiatives, fostering holistic growth and overall personality development.

Accolades and Recognition

Avanthi Educational Society has received numerous accolades and recognitions, including:

- UGC-Approved Autonomous Institution
- ISO 9001:2015 Certification
