MOST IMPROVED COLLEGE*
All India Institute of Medical Sciences (AIIMS) *Jodhpur*

A Prescription For Progress

By expanding clinical services, investing in innovation and creating a student-friendly ecosystem, AIIMS Jodhpur has emerged as one of the country's leading new-generation medical institutes

By **ROHIT PARIHAR**

Located on a sprawling campus on the southern edge of Jodhpur, the All India Institute of Medical Sciences (AIIMS) Jodhpur has witnessed a remarkable rise in just over a decade. What began as one of the newer AIIMS institutions has evolved into a leading centre for medical education, research, innovation and patient care. Its ascent is reflected in the rankings, where it has climbed from No. 21 in 2022 to No. 8 in 2026, making it the most improved college in its category.

The foundation stone of the institute was laid in 2004, with academic activities commencing in 2012. The nursing college and outpatient services followed in 2013, while the
