

ADICHUNCHANAGIRI UNIVERSITY

Established under the visionary leadership of His Holiness Sri Sri Sri Dr. Nirmalanandanatha Mahaswamiji, was founded to realize the dream of His Holiness Padmabhushana Sri Sri Sri Sri Dr. Balagangadharanatha Mahaswamiji, bringing world-class education to rural communities. Located at BG Nagara, Mandya, the multidisciplinary university offers a wide spectrum of academic programs across diverse disciplines and serves a vibrant academic community. Its NAAC A+ accreditation stands as a testament to its commitment to academic excellence, innovation, and global educational standards.

SEVEN E's: FOUNDATION OF HOLISTIC EDUCATION

Adichunchanagiri University guided by the philosophy of the Seven E's — **Empathy, Enrichment, Equity, Excellence, Empowerment, Entrepreneurship, and Enlightenment.** These core values foster inclusive education, innovation, self-reliance, ethical leadership, and social responsibility. The institution is dedicated to nurturing future-ready graduates through quality teaching, research, skill development, and holistic personality enhancement.

DIVERSE PROGRAMS & ACADEMIC EXCELLENCE

Adichunchanagiri University offers a comprehensive range of programs in Medicine, Allied Health Sciences, Engineering, Pharmacy, Nursing, Commerce, Management, Natural Sciences, and Education. The university continuously updates its curriculum in alignment with industry requirements and emerging global trends. A transparent digital evaluation system further strengthens academic integrity and ensures consistent student achievement.

INFRASTRUCTURE & HOLISTIC DEVELOPMENT

The university provides state-of-the-art infrastructure, including modern laboratories, advanced research and innovation centers, an Intellectual Property Rights (IPR) Cell, and industry-integrated learning facilities that encourage interdisciplinary education and research. Its ecosystem is further enriched by a multi-specialty tertiary care hospital equipped with advanced healthcare services, offering students valuable clinical exposure and experiential learning opportunities.

Beyond academics, the university strongly promotes holistic student development through co-curricular and extracurricular activities, sports facilities, seminars, workshops, cultural events, and active participation in state, national, and international-level competitions and conferences.

RESEARCH, INNOVATION & VISIONARY GROWTH

Adichunchanagiri University has emerged as a dynamic center for research, and innovation through its multidisciplinary Ph.D. programs, quality scholarly contributions, funded research initiatives, and patent-driven innovations. Under the visionary guidance of His Holiness Sri Sri Sri Dr. Nirmalanandanatha Mahaswamiji, the university continues to advance towards academic excellence, societal transformation, and global recognition.
