GEARING FOR THE AI ERA

HAVING EMERGED AS THE COUNTRY'S LEADING GOVERNMENT UNIVERSITY, DELHI UNIVERSITY IS BETTING ON RESEARCH, ARTIFICIAL INTELLIGENCE AND ENTREPRENEURSHIP TO FUEL ITS GLOBAL AMBITIONS

By Shelly Anand

GURUSPEAK

"Our target over the next five years is to bring Delhi University into the group of the world's top 200 universities. We want our students to become job creators. Research is not only about publications; it is also about creating products, patents and social impact"

PROFESSOR YOGESH SINGH
Vice Chancellor, University of Delhi

ARUN KUMAR
