ALONG WITH OFFERING EXPERT GUIDANCE AND A WIDE RANGE OF EXPOSURE TO POSTGRADUATES, AIIMS DELHI IS OPENING UP NEW AREAS OF STUDY AND UPDATING OLD ONES

By Sonali Acharjee

For generations of Indian doctors, earning a postgraduate seat at the All India Institute of Medical Sciences (AIIMS), New Delhi, has represented the pinnacle of medical training. While the competition to enter the institute is legendarily tough, what truly distinguishes AIIMS is not simply its prestige but the unique ecosystem it offers—one where patient care, research, innovation and academic excellence intersect every day.

AIIMS Delhi offers one of the country's most comprehensive portfolios of postgraduate programmes, spanning MD, MS, MDS, DM, MCh,
