

MANUAL COUNTING

↘ Staff deployed in counting room wore clothing with pockets—in violation of the rules—enabling them to smuggle out cash/ jewels

CCTV SURVEILLANCE

↘ CCTV surveillance was patchy, staff knew blind spots. Also, footage wiped clean after 45 days, so little evidence of past incidents

MISSING BUNDLES/ NOTES

↘ Currency bundles were pilfered before final count, ensuring day's total remained consistent with that on receipt deposited in the bank

↘ Also, extra notes inserted in bundles after final count, and removed prior to bank deposit. Bank personnel allegedly involved

HIDDEN CASH IN TOILETS

↘ Cash from counting room whisked away by staff and stashed in toilets during restroom visits. Taken away later

LAX BODY SEARCHES

↘ Private agency controlled security. Staff members leaving counting room not subjected to rigorous searches

ILL-GOTTEN GAINS

↘ Accused used cash to live it up, purchase properties and vehicles, only some funds deposited in bank accounts
