THE MONEY MACHINE: CAN DOMESTIC CAPITAL HOLD THE LINE AS FOREIGNERS EXIT?

"Foreign capital is fleeing India not because they do not believe in this country. They are moving back to the US because that country is delivering exceptional returns"

IMRAN JAFAR
Co-founder & Managing Partner, Gaja Capital

"At the current savings rate, we can grow only at 6.5%.... We will have to get in 3 percentage points of more FII/FDI into the country, which translates to $100 billion if India has to grow at 8%"

HARENDRA KUMAR
MD, Elara Capital

"India's allocation crept up over a period of time because of relative outperformance compared to others in the emerging markets. As this reversed, a lot of money began to move out of India"

KAUSTUBH BELAPURKAR
Director-Research, Morningstar Investment Advisers India

AFTER LIFE: TRUSTS, WILLS AND THE FUTURE OF FAMILY ASSETS

"The government has got around Rs 3 lakh crore of unclaimed wealth sitting in the system because people have not told their families where their wealth is"

JATIN POPAT
Founder, WillJini Succession Services

"Estate planning isn't only for older people. Actually, age does not matter. If you have assets and you have responsibility, that is what matters"

VIVEK SADHALE
Co-founder, Legalogic

"If you have made wealth for your family, then why not also make a succession plan, as the cost of not making a testamentary document is enormous?"

RAJAT DUTTA
Founder, Inheritance Needs Services
