

KLE ACADEMY OF HIGHER EDUCATION AND RESEARCH
(KAHER), Belagavi, Karnataka
(DEEMED-TO-BE-UNIVERSITY)

www.kaher.edu.in

Dr. Prabhakar B Kore
Chancellor, KAHER, Belagavi

The KLE Academy of Higher Education and Research (KAHER), Deemed-to-be-University established on 13th April 2006 is one of the premier Health Science Universities in the country, imparting high quality health profession education at Under-Graduate, Post-Graduate and Post-doctoral levels. Based on the excellent infrastructure, faculty base, research, contemporary teaching & training practices and overall academic environment, the Ministry of Human Resource Development (MHRD), Government of India, on the recommendations of the University Grants Commission (UGC), granted Deemed-to-be-University status to 11 colleges of KLE Society (sponsoring society) and thus the KLE Deemed-to-be-University came into existence.

The University has been accredited with **'A+' Grade by NAAC (3rd Cycle)** & has received 12B status from the University Grants Commission (UGC). it is placed in **Category 'A' University by MoE, GOI**. & recognised as Scientific and Industrial Research Organization (SIRO) by the department of Scientific and Industrial Research (DSIR), Ministry of Science and Technology, Government of India.

Sponsoring Society (KLE Society):

The sponsoring of KAHER viz. KLE Society, was **established in 1916** has over the years established itself as a rising star in the field of education and healthcare. The KLE Society **celebrated its centenary year in 2015-16**. The KLE Society is unique in its character as it was formed by seven visionary and dedicated teachers **"Saptarishis"** with philanthropic support from three generous Patrons. It is also unique in its association and governance, as it runs purely on democratic values and principles with a charitable objective.

The Society has undergone rapid metamorphosis under the able leadership of Chairman **Dr. Prabhakar Kore** and in the last 40 years has bloomed and blossomed and today it encompasses **318 institutions** all over the country which in itself is an inspirational achievement.

Research Excellence @KAHER

KAHER has established itself as a nationally and internationally respected hub for high-impact, interdisciplinary health research, integrating medical, health, and life sciences. Its robust ecosystem spans medicine, dentistry, nursing, pharmacy, ayurveda, homeopathy, physiotherapy, and allied sciences, delivering quality-driven outputs through a growing portfolio of publications in high-impact indexed journals, competitive extramural funding, and sustained collaborations with leading national and global agencies.

The JNMC Research Unit at KAHER has earned unprecedented recognition as India's only center honored by ICMR-DHR (Government of India), WHO, NICHD-USA, and NHMRC-Australia. Designated as a WHO Collaborating Center for Maternal and Perinatal Health (2019), ICMR Centre for Clinical Trials (2021), and ICMR Collaborating Centre of Excellence (2023), it positions KAHER among India's premier biomedical research institutions. KAHER has been the recipient of several national/international grants from ICMR, Dept. of AYUSH, NBM-BIRAC, DBT, AICTE, NIV, CCIM, VGST, Dept. of Atomic Energy, NIH (USA), WHO, Thomas Jefferson University, Thrasher Research Fund, CIFF, Gates Foundation, etc. With 250 MoUs with institutions of national and international repute to drive translational innovation and global impact.

KAHER's state-of-the-art infrastructure includes DCGI/ICH-GCP compliant Phase II-IV clinical trials facilities, Dr. Prabhakar Kore Basic Science Research Labs, and the Abdul Kalam Ayurtech Incubation Centre with NABH and SIDCER-FERCAP accreditation.

KAHER's KIIF incubator hub fosters interdisciplinary excellence, translating discoveries into Commercialization, Scopus/ Web of Science publications, and policy outcomes to advance a knowledge-based health economy.
