Office of the International Relations & Higher Studies

The office of the International relations facilitates collaboration with International Universities for activities including Student Exchange, Faculty Exchange, Joint Research and other Collaborative activities for the benefit of the students and faculty. The office also initiates Semester Abroad Programmes, Internship Abroad Programmes and Summer Schools with Partnering Universities for the students of the Institution. The office also facilitates Faculty and Student Mobility programmes Funded by International Funding Organisations.

The Office of the Higher Studies helps in identifying and selecting the Universities to pursue Master Degree Programmes, provides support in the process of application, Letters of Recommendation and organises awareness programmes on Higher Education opportunities for the Pre final and Final Year Students. The Office conducts foreign language classes and other courses like TOEFL, IELTS for the students.

Makerspace

Makerspace is a state of art additive manufacturing facility established to foster innovations in young engineers, facilitate research and support additive manufacturing in industries. This unique facility is distinguished as a "**Centre of Excellence for Additive Manufacturing**" by Sratasys,India. Makerspace includes labs for material synthesis & testing, prototype designing and tissue engineering.
