NEW HOTEL OPENINGS

From immersive nature retreats to a boutique townhouse

< JW Marriott Ranthambore Resort & Spa, Rajasthan

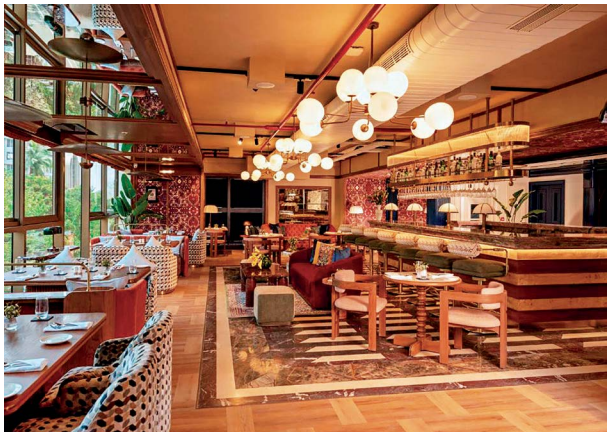

Set on the edge of Ranthambore National Park, the newly opened JW Marriott Resort & Spa marries contemporary luxury with the spirit of the wild. The 127-key resort offers elegant rooms, suites, tented accommodations and private villas, with architecture inspired by Rajasthan's rich heritage, offering immersive wildlife experiences, refined dining, a signature spa and panoramic views of the surrounding landscape.

v Bandra House, Mumbai

An IHCL SeleQtions property, Bandra House is a luxury boutique hotel in the heart of Bandra West, inspired by the neighbourhood's heritage bungalows, creative spirit and coastal charm. Located on Turner Road, the 39-key property combines the intimacy of a private residence with the comforts of a five-star hotel, offering elegantly designed rooms and suites—many equipped with kitchenettes for extended stays. Thoughtfully curated interiors, a library-inspired lobby, locally inspired dining and bespoke neighbourhood experiences create a stay that reflects the character of one of Mumbai's most vibrant districts.

^ The Sen, Kumaon, Uttarakhand

Nestled amid the pine forests of Kumaon near Lansdowne, The Sen is an intimate luxury retreat that celebrates minimalist design, slow living and immersive nature experiences. With just a handful of glass-fronted suites overlooking forested valleys, the boutique hideaway combines contemporary architecture, locally inspired cuisine and curated outdoor experiences, offering a serene escape for travellers seeking privacy, wellness and a deep connection with the mountains.
