

GRAND VOLUMES
(clockwise from top left) Double height living room; western verandah and pergolas; west elevation, architects Amaresh Anand and Sandeep Khosla; the master bedroom; an example of inside outside living, also at Abhikram

"The design moves ensure reduced heat gain and less reliance on mechanical cooling. Since there is an abundance of sun in India, we filter natural light through the space to eliminate the use of light bulbs during the day."

— SANDEEP KHOSLA, FOUNDER AND PRINCIPAL AND AMARESH ANAND, PRINCIPAL AND PARTNER
