

Basin Instinct

Say hello to the ultimate bathroom power couple, Avalegra by Hansgrohe, a genius all-in-one basin and faucet unit that turns your daily wash routine into a high-performance ritual. This eye-catching showstopper uses innovative parabolic and laminar sprays to handle everything from quick rinses to deep cleans flawlessly, all while capping water usage at 5L per minute. You can also lock in your favourite water temperature so it is ready to go the exact moment you turn the handle.
