Flush Flair

Hindware's premium range seamlessly blends advanced engineering with high-performance conservation, backed by prestigious certifications from IAPMO and the Indian Green Building Council. Featured here is EWC Prima One Piece WC. This sleek fixture reimagines daily water use, consuming a mere 3.54L per full flush and 1.36L for a half-flush.
PRICE ₹11,500

Whirlwind Romance

Upgrade your bathroom game with TOTO's Matte RP Tornado Wall Hung WC. This premium fixture uses a clever 360-degree Tornado Flush whirlpool to clean the entire bowl perfectly in just one go, using a mere 3L to 4.5L of water. It has a rimless design and a super-smooth CeFiONtect ion barrier glazing that stops dirt and grime from sticking. This means fewer repeat flushes, zero harsh chemical scrubbing and less effort for you, all wrapped up in a durable package.
PRICE ₹1.11 lakh to ₹1.17 lakh
