Yashoda Medicity: Global Healthcare Destination

We care, treat and heal ensuring quality of services at affordable price.

Dr. P N Arora
(Chairman)
Yashoda Medicity, Indirapuram

Yashoda Medicity, is a 1200 bedded quarternary care, state-of-the-art green hospital on 8+ acres of land with aesthetic landscape. The hospital is a model hospital of the country in numerous ways. It is designed, planned and executed as a hospital within a hospital. It implies that every clinical department has all its services in a single area making it easier for the patient and their attendants to take consultations from doctors, getting the diagnostic tests done and then collect their medicine from the pharmacy. All the clinical departments have the latest equipments and the treating team of doctors are from reputed institutions like AIIMS who are supported by the skilled nursing staff selected from reputed institutions across the country.

Excellence in Specialized Care

Yashoda Medicity houses Centers of Excellence dedicated to:
