

GLA UNIVERSITY

MATHURA - GREATER NOIDA

EMPOWERING EXCELLENCE, SHAPING GLOBAL CAREERS

GLA University, located in Mathura, Uttar Pradesh, has firmly established itself as one of India's premier institutions for higher education. Since its inception in 1998, GLA has made significant strides, combining academic excellence with holistic student development. With a steadfast vision to inspire learning, innovation, and leadership, the university continues to shape future-ready professionals equipped for the demands of a dynamic global economy.

Adding another feather to its illustrious cap, GLA University has recently launched a cutting-edge Industry-Integrated Campus in Greater Noida. Strategically located in the NCR region, this new campus is an example of GLA's forward-thinking approach. It is meticulously designed to bridge the gap between academic learning and industrial application. Through corporate mentorships, hands-on projects, and real-world training, students at this campus are nurtured to become industry-ready from day one.

A 28-YEAR OLD LEGACY OF ACADEMIC DISTINCTION

GLA University is accredited with the prestigious NAAC A+ Grade, achieving a commendable score of 3.46 out of 4. It holds the 12B status from UGC and is approved by prominent statutory bodies including UGC, PCI, NCTE, and BCI. The Institute of Pharmaceutical Research under GLA ranks 53rd in India in the NIRF Rankings 2024.

Not stopping there, GLA has also made its mark on the international academic landscape. It ranks in the 351-400 band in the Times Higher Education Asia Rankings 2025 and proudly holds the 18th All India Rank and 2nd in Uttar Pradesh (among the state private universities). These accolades underscore GLA's unwavering commitment to global standards in education and research.

"There are institutions that promise high salaries, but often with an enormous price tag. At GLA, we believe in high returns without high costs. With our reasonable fee structure and outstanding placement outcomes, we offer one of the best ROIs in the country."

— Narayan Das Agrawal, Chancellor, GLA University

MULTIDISCIPLINARY EDUCATION

The university offers a vast range of programs across disciplines like Engineering, Management, Pharmacy, Education, Law, Biotechnology, Polytechnic, Applied Sciences, Commerce, Agriculture, Library Science, and Humanities. GLA currently nurtures over 23,000 students guided by more than 700 faculty members, many of whom are alumni of prestigious institutions like IITs, IIMs, NITs, and even international universities such as Harvard, Oxford, and Wharton.
