AGAINST THE ODDS

CGC JHANJERI SURGES AHEAD WITH HISTORIC 2025 PLACEMENTS

In a year when placement outcomes dipped across many reputed institutions, Chandigarh Group of Colleges (CGC), Jhanjeri, Mohali, has emerged as a beacon of success. While others struggled, CGC Jhanjeri not only weathered the storm but soared, delivering a record-breaking placement season in 2025.

The numbers speak volumes. The highest package offered skyrocketed from ₹53 LPA in 2024 to an astonishing ₹1 Crore in 2025—underscoring the growing industry trust in CGC's talent pool. The average package too saw a sharp rise, touching ₹6.34 LPA, a clear indicator of the college's increasing industry relevance.

Total job offers more than doubled—from 872 to an impressive 1,960. The recruiter base grew significantly as well, from 650 to 1,133 companies, including global giants like Microsoft, Amazon, Deloitte, Infosys, and HCL. These achievements reflect CGC Jhanjeri's unwavering commitment to broadening opportunities for its students.

Internship opportunities saw a major boost too, with the highest stipend tripling from ₹0.5 LPA to ₹1.5 LPA, affirming the institution's focus on experiential, industry-driven learning.

At a time when placement slumps have become common due to economic shifts, CGC Jhanjeri recorded an 18% growth in placements—an extraordinary feat. This success is backed by strategic planning, future-ready programs in AI, Data Science, and Cybersecurity, and a proactive Department of Career Planning and Development. With a future-forward curriculum, a student-centric ecosystem, and strong global partnerships, CGC Jhanjeri is not just keeping pace—it's setting the pace.

In 2025, CGC Jhanjeri didn't just raise the bar—it redefined it.

Accurate Institute of Management & Technology

Led by Vision, Defined by Excellence

Poonam Sharma
Chairperson,
Accurate Group of Institutions

Accurate Institute of Management & Technology (AIMT), Greater Noida—a NAAC-accredited, AICTE-approved institution, has emerged as a leading center of excellence in higher education since its inception in 2006.
