WITH A LEGACY OF 25 YEARS,

CHANDIGARH GROUP OF COLLEGES (CGC) LANDRAN

CGC LANDRAN

Building Careers. Transforming Lives.

With a legacy of 25 years, Chandigarh Group of Colleges (CGC) Landran stands as a beacon of quality higher education in North India. Accredited with NAAC A+ and being the only Engineering college awarded the Platinum Rating by QS I-GAUGE overall as well as across all nine parameters, CGC Landran exemplifies academic excellence.

Home to the Atal Community Innovation Centre (ACIC) RISE, supported by AIM and NITI Aayog, the college fosters a strong ecosystem. With over ₹25 crore in grants from Govt of India under the AICTE, PSCST, NITI AAYOG, STARTUP PUNJAB, MINISTRY OF MSME, NPIU, NCERT, PTU, AWS CREDIT, ICMR & AICTE IDEA LAB etc, CGC empowers students to build startups, targeting semi-urban and rural transformation. Having established more than 20 Centres of Excellence, DGCA-approved Drone Lab, and all other labs being SIRO certified CGC Landran is home to a research, innovation, and entrepreneurship-driven environment.
CGC Landran offers a wide array of undergraduate and postgraduate programs in Engineering, Management, Pharmacy, Biotechnology, Hotel Management, Commerce, and Computer Applications. The B.Tech programs in CSE and ECE are NBA-accredited, reflecting adherence to global standards in technical education. Ranked consistently in NIRF, ARIIA, IPR, and IIC indices along with Chandigarh Engineering College-CGC Landran now being conferred the autonomous status.

CGC Landran has been recognized among the Top 10 Patent-Filing Institutes in India by the Office of the Controller General of Patents, Designs, Trademarks, and Geographical Indicators, Government of India, for seven consecutive years. With 60+ international academic collaborations and strong industry ties, CGC ensures students gain global exposure and hands-on industry training. These partnerships open avenues for student exchange programs, joint research, and internships.

Over 10,000 placements through 1,000+ top companies, with the highest package exceeding ₹50 LPA, reflect CGC's unmatched training and recruitment network.

Strategically located near Chandigarh, CGC Landran is easily accessible and offers a vibrant culturally diverse campus life enriched with sports, cultural fests, social service, and tech events to promote all-around student development.

CGC Landran is not merely an educational institution, it is a dynamic catalyst for transformative success, pioneering innovation, and expansive global engagement.

FROM THE DESK OF THE PRINCIPAL

It is a matter of immense pride to present DAV Institute of Engineering and Technology (DAVIET) to the esteemed readers of India Today. Established in 2001 under the aegis of DAV College Managing Committee (DAVCMC), New Delhi, DAVIET has emerged as the first choice for professional education in the region. Our unwavering commitment to excellence, innovation, and holistic development distinguishes us from our peers. DAVIET's progress and success are driven by the visionary leadership of Arya Rattan Padma Shri Punam Suri, the President of DAVCMC, whose guidance continues to steer the institution toward greater heights.

At DAVIET, we offer a rich blend of contemporary education rooted firmly in the timeless values of Arya Samaj. We believe that true education must harmonize technological advancement with ethical grounding. Our students are nurtured to become not only skilled professionals but also socially responsible leaders with a strong moral compass.

The A+ accreditation awarded by the National Assessment and Accreditation Council (NAAC) stands as a shining testimony to our relentless pursuit of academic excellence and innovation. Our commitment to maintaining the highest educational standards is reflected in the consistent academic performance of our students, who have secured the maximum number of merit positions in the university year after year. This legacy of scholarly brilliance underscores the vibrant academic culture that DAVIET fosters.

Our outstanding placement record further reinforces our standing as a premier institution. All eligible students have been successfully placed in top organizations, with the highest package offered reaching an impressive 70 lakh per annum. Our dynamic Training and Placement Cell, along with robust industry collaborations, ensures that our students are prepared not just for today's professional world but also for the challenges of tomorrow.

The Central Library at DAVIET serves as the intellectual heartbeat of the institution, housing around 36,000 volumes and 9,598 e-books. It acts as a comprehensive knowledge hub, catering to diverse academic and research needs, and supporting students and faculty in their pursuit of learning, innovation, and scholarly inquiry.

Our faculty is the backbone of our academic ecosystem. Comprising highly qualified educators, most holding Ph.D. degrees, they are deeply engaged in research and regularly publish in internationally reputed journals. Their focus on integrating research with teaching ensures that students are involved in practical, hands-on projects that bridge the gap between theoretical knowledge and real-world application.

At DAVIET, holistic development is a core priority. Our students have consistently brought laurels to the institution by winning the IKG PTU Zonal and Inter-Zonal Youth Festivals for over two decades. These victories reflect the vibrant cultural atmosphere and the emphasis we place on nurturing creativity, leadership, and team spirit.

In the realm of sports, our athletes have made us proud by representing the university at national and international platforms. Their dedication and achievements underscore our commitment to fostering fitness, discipline, and a competitive spirit among students. The institution also boasts highly active NCC and NSS units, instilling values of patriotism, social responsibility, and community service.

As we step into the future, DAVIET continues to evolve, driven by its founding vision of creating leaders who are intellectually competent, ethically grounded, and socially conscious. We remain steadfast in our mission to impart education that inspires, innovates, and transforms.

I extend my heartfelt gratitude to our dedicated faculty, industrious students, supportive parents, and distinguished alumni for their unwavering belief in our mission. At DAVIET, we do not merely impart education — we shape futures, ignite passions, and build a better tomorrow.
