CONNECTING MINDS & ADVANCING KNOWLEDGE IN ENGINEERING -VJIT

Vidya Jyothi Institute of Technology (VJIT), established in 1998 by the Vidya Jyothi Educational Society, is a premier destination for aspiring engineers. An autonomous institute under UGC, VJIT is accredited by NAAC with an A+ Grade, approved by AICTE, and permanently affiliated with JNTU(H). The institute is ranked in the NIRF Innovation Band of 151–300 (2023) and 201–300 (2024).

VJIT offers B.Tech programs in CSE, CSE (Data Science), CSE (AI & ML), IT, ECE, EEE, Civil, and Mechanical Engineering. M.Tech programs include CSE, Structural Engineering, Electrical Power Systems, Embedded Systems, and CAD/CAM. The institute also offers an MBA program focusing on finance, marketing, HR, and entrepreneurship. With a consistent 95% academic success rate, the introduction of Minor and Honors programs further enhances academic depth and flexibility.

Campus life is vibrant, with active student clubs and professional body engagements. The ECE Department received the IETE "Best Department Award," and VJIT hosted the CSI State Convention on Generative AI.

Research excellence is evident in 500+ Scopus-indexed publications, 19 granted patents, and ₹190.46 lakhs in research funding. Industry collaboration is strong, with 35+ MoUs and Centers of Excellence with EPAM, Virtusa, Qlik, Swecha, and Ultratech Cement.

Infrastructure includes advanced labs, three modern conference halls, a well-stocked library with 585,000+ volumes, and comprehensive sports facilities. Programs like AWS Educate, Infosys Springboard, and Eduskills boost employability.

Placements are robust, with 900+ offers for the 2025 batch, an 85% placement rate, 10 LPA highest package, and 5 LPA average. Students gain global exposure through international conferences, internships, and awards like the CANSAT Best Design Award (2024) and TCS CodeVita recognitions.

VJIT continues to empower students through academic excellence and industry readiness.

About our Dr NGP Research and Educational Trust

The Dr NGP Research and Educational Trust (Formerly Kovai Medical Center Research and Educational Trust) was established in the year 1990 with the goal of rendering quality education and training to the people of India and the world. The Trust was envisioned by our trustees with the single-minded objective of imparting education that is truly a class apart. Today, that vision has culminated into a world-class organization of repute, rendering education to students from diverse cross-cultural backgrounds. Having grown from strength to strength, presently the Trust is running 10 Educational Institutions in the field of Health Sciences, Arts & Science, Engineering & Technology and a CBSE affiliated school. The Organization is founded by our Chairman Dr. Nalla G. Palaniswami, M.D., A.B., (USA) a Physician specialized in Endocrinology and the Managing Trustee Dr. Thavamani D. Palaniswami, a Paediatrician and Adolescent Care specialist. Their vast exposure and rich experience in the field of Health care has motivated them to start educational institutions on par with the best in the world in terms of infrastructure and related facilities. Continuous guidance and constant encouragement of our chairpersons have evolved the Trust as one of the reputed educational trusts in this region.
