CHANDRADEEP KUMAR

GURUSPEAK

“We encourage our students to foster new ideas, experiment and solve real-world problems with logical thinking. We support this with outstanding research infrastructure, start-up incubators, in-house sponsorships and a robust reward system for academic excellence”

PROF. RAMA
Principal, Hasraj College

STUDENTSPEAK

“I walked into the college scared and naive, unsure how to adjust, but the college gave me the freedom to learn, to ask for my rights and to grow. I don’t just experiment in the lab; I experiment with myself, discovering passions beyond textbooks”
