EW EDUCATION WORLD INDIA HIGHER EDUCATION RANKING (2025-26) THE HUMAN DEVELOPMENT MAGAZINE
Ranked: 10 in India under the Private Autonomous ASC Colleges category.
Ranked: 3 in Karnataka under the Private Autonomous ASC Colleges category.
Every year, the college achieves nearly 100% placement, a testament to its focus on industry alignment and student readiness.

To ensure students are prepared for real-world challenges, Presidency College offers a comprehensive Employability Enhancement Program (EEP). This carefully designed training initiative covers:
- Shaping Industry-Ready Graduates
- Soft Skills Development
- Aptitude and Logical Reasoning
- Domain-specific Technical Training
- Mock Interviews & Resume Building
- Career Coaching & Personal Mentorship

These sessions are delivered by an expert panel of trainers and industry veterans. The college frequently hosts guest lectures; HR talks and simulation workshops with professionals from leading companies. These experiences help bridge the gap between academic learning and industry expectations.

Presidency College (Autonomous), Bengaluru - Shaping Leaders with Purpose

At Presidency College, the vision is clear: to nurture globally competent, ethically grounded leaders who drive meaningful impact. Anchored in three core pillars—academic excellence, personal development, and integrity—the college creates an environment where students evolve into visionary changemakers. Learning at Presidency blends academic brilliance with experiential methods. Through innovative pedagogy such as flipped classrooms, gamification, and case-based learning, faculty foster critical thinking, collaboration, and real-world problem-solving.

The college is future-focused, integrating cutting-edge technologies like AI, VR, and data analytics into its curriculum. Students benefit from strong industry linkages, live projects, and certification programs that bridge classroom learning with practical application. This synergy ensures graduates are both technically sound and industry ready.

Forging Visionaries, Shaping Futures

Established in 2002, Presidency (Autonomous) College, Bangalore, has consistently been a beacon of transformative education. Guided by the visionary leadership of Chairman Dr. Nissar Ahmed, Vice Chairman Mr. Suhael Ahmed, and Principal Dr. Pradeep Kumar Shinde, the institution empowers students with a powerful blend of tradition, innovation, and strategic leadership.

Certifications and Value-Added Programs

Going beyond the traditional curriculum, Presidency College offers a wide range of certification programs in partnership with reputed organizations. These value-added courses strengthen student profiles and give them an edge in the competitive job market. Whether it's in Finance, IT, Analytics, Marketing, or Management, students can gain specialized knowledge that enhances their skillset and employability.

Fair and Transparent Placement Process

The college prides itself in maintaining a structured, inclusive, and transparent placement process. Every student is given equal opportunity to pursue their dream job. The Placement Cell works closely with students to help them understand job roles, prepare for interviews, and present their best selves to recruiters.
