

TRANSFORMING LIVES THROUGH EDUCATION

Our founding fathers believed that progress begins with inclusive education. This vision led to the establishment of primary schools in pre-independent India, including those for girls who were often left out. Over the decades, this vision has grown into a network of Schools, Universities, Research Centers, Digital platforms & Stem Labs, each dedicated to shaping a brighter future, benefitting over 2.22 lakh students annually.

- **Institutions established:** 27 schools, 7 colleges, 5 research institutes, and 8 vocational training centers.
- **Adult literacy programmes:** Empowered over 50,000 women.
  Inclusive education initiatives:
  - 2 slum education centers in the National Capital Territory
  - A school for specially abled children in Rayagada, Odisha
- **Future-ready skills focus:** Promoting vocational learning and modern pedagogical practices.
