BUILDING INSTITUTIONS THAT EMPOWER GENERATIONS

For over a century, JK Organisation has been committed to building institutions that uplift communities and shape futures. Our legacy of social responsibility is reflected in our contributions to:

- **Education Institutions** – Established 25 schools, 7 colleges & universities, 5 research institutions, and 8 vocational training institutes, benefitting more than 2 lakh students
- **Healthcare Institutions** – Operating 7 hospitals, annually upgrading 50 Anganwadi centers and 20 hospitals, benefitting more than 11 lakh individuals
- **Cultural Institutions** – Established 7 arts, sports & community welfare institutions and numerous religious institutions nationwide like Dwarkadhish Temple and JK Temple in Kanpur.

With a vision rooted in business excellence and social impact, JK Organisation continues to empower lives and communities.
