APARNA

Setting benchmarks in gated communities, since 1996.

APARNA
Lead the future

Eco-conscious Approach

Delivered AP / Telangana's **1st IGBC Platinum-Rated Green Residential Project.**

Focus on Backward Integration

Set new benchmarks in **quality, precision and consistency with backward integration** of building materials including uPVC and aluminium windows and doors, floor and wall tiles, RMC, bathroom fixtures, and more.

Expert Property Management Services

Backed by **2200+ skilled personnel**, Aparna Property Management Services (APMS) is the in-house property management arm that delivers maintenance and safety facilities to Aparna's Gated Communities.

APMS itself has set several benchmarks in critical areas like STP management and fire safety.
