

The recently held "CM Yuva Conclave Expo-2025" has further accelerated these efforts. The event generated over 5,000 business leads, with more than 200 applications already converting into successful enterprises. Alongside this, platforms such as the UP International Trade Show and other global trade fairs are showcasing Uttar Pradesh's products prominently. These platforms are directly connecting young entrepreneurs with investors, opening doors to both capital and markets, and strengthening the startup ecosystem.

The government's strategy for rural youth is equally focused and forward-looking. Through the National Rural Livelihood Mission and the Deen Dayal Upadhyaya Grameen Kaushalya Yojana, skill training and self-employment opportunities are being created at the village level. These programmes are equipping rural youth with skills aligned to local demand. In parallel, incubation centres established in the state's technical universities are nurturing innovation and startup culture. Young innovators receive integrated support covering training, funding and market access creating a seamless ecosystem from idea to implementation.

YOUTH ON THE PATH TO SELF-RELIANCE

- Over 8.5 lakh youth provided government employment through fair and transparent recruitment by various commissions and recruitment boards.
- More than 1 lakh women appointed to government jobs. To ensure transparency and protection for outsourced personnel, an Outsourcing Services Corporation has been constituted.
- Uttar Pradesh Public Examination (Prevention of Unfair Means) Act implemented to ensure integrity and transparency in examinations.
- Uttar Pradesh Rozgar Mission established to facilitate employment opportunities for youth in India and abroad.
- One-Time Registration (OTR) system implemented at the Uttar Pradesh Public Service Commission for the convenience of candidates.
- Under the Prime Minister's Employment Generation Programme, 29,296 beneficiaries received ₹81,183 lakh as margin money, creating employment for 2,34,368 individuals.
- Investment proposals received during the Global Investors Summit-2023 are expected to generate employment and placement opportunities for over 1.10 crore youth.
- Under Mission Rozgar, appointments completed for 1,890 lecturers, 6,314 assistant teachers and 219 principals.
- Under the Swami Vivekanand Yuva Sashaktikaran Yojana, 49.86 lakh tablets/smartphones distributed; 76 incubators and almost 21 thousand startups currently operational in the state.
- Over 25 lakh youth trained across various trades under ITIs and the Skill Development Mission, with more than 10 lakh youth provided employment.
