"India is a country full of diversities. The world is observing India's diversity with amazement, and as a result, the attraction towards India has also increased. Now we must lay emphasis upon regional aspirations for balanced development and give due respect to that spirit. We want to move forward in the direction of all-round development of the society, all-round development of every region and to ensure that every region gets an opportunity to reach its potential."

Shri Narendra Modi
Hon'ble Prime Minister
