VIBRANT GUJARAT

A Statewide Expansion of a Transformative Vision

The Legacy of a Transformative Summit

Conceptualised in 2003 under the visionary leadership of Shri Narendra Modi, Hon'ble Prime Minister of India and then Hon'ble Chief Minister of Gujarat, Vibrant Gujarat Global Summit has evolved into one of the world's most respected platforms for business networking, knowledge sharing and strategic partnerships aimed at inclusive growth and sustainable development. Vibrant Gujarat has emerged as one of India's most influential platforms for investment, innovation and international collaboration. With ten editions of the Vibrant Gujarat Global Summit successfully organised, the State has consistently positioned itself as a leader in progressive governance and economic dynamism. This remarkable journey was recently honoured through the programme titled 20 Years of Vibrant Gujarat as the Summit of Success, marking two decades of strategic vision and sustained achievement

Regional Conferences across the State

To broaden the reach of this initiative, the Government of Gujarat is presenting a series of Vibrant Gujarat Regional Conferences across the State. These conferences aim to carry the essence of the Global Summit into districts and emerging economic centres, ensuring that the benefits extend to every region. The first Regional Conference held in North Gujarat at Mehsana on 9 and 10 October 2025 was a resounding success. The next edition will take place in Kutch and Saurashtra at Rajkot from 10 to 12 January 2026, followed by the South Gujarat conference in Surat on 9 and 10 April 2026 and the Central Gujarat edition in Vadodara on 10 and 11 June 2026.

A Vision for Inclusive Growth

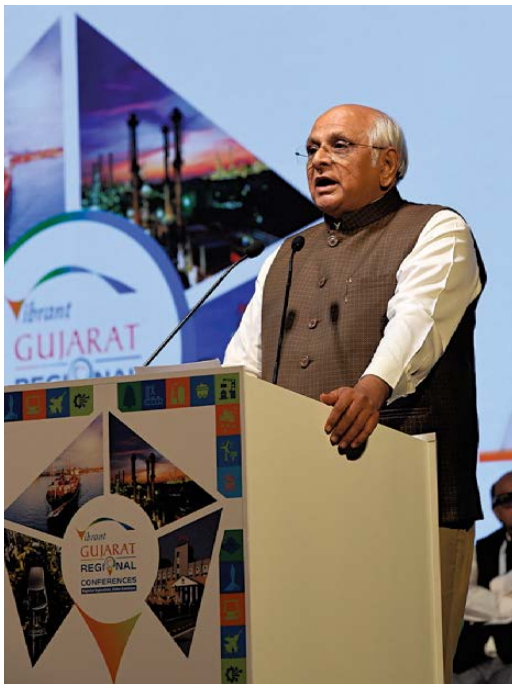

The Regional Conferences align local aspirations with the national vision of Viksit Bharat 2047 and the State's roadmap for Viksit Gujarat 2047. They showcase regional strengths, highlight key sectors and infrastructure developments, and open pathways for local capability to meet global opportunity.

District Engagement

Each regional event is preceded by one day district programmes involving seminars, consultations, challenge identification and documentation of best practices. The two day Regional Conference consolidates these insights, providing a platform for investment facilitation, knowledge sharing and engagement. Activities include inaugural and valedictory sessions, thematic seminars, a trade show, exhibitions, awards, MoU signings, business meetings, a reverse buyer seller meet, vendor development programmes, an Udyami Mela, cultural programmes and visits to industrial and tourist locations.

Regional Exhibition

Alongside the conference, the Vibrant Gujarat Regional Exhibition from 10 to 13 January 2026 will showcase industries, MSMEs, government departments and entrepreneurs. The North Gujarat edition covered more than 18 thousand square metres, hosted over 410 exhibitors including more than 170 MSMEs, featured six thematic pavilions and welcomed more than 80 thousand visitors. Rajkot will expand the exhibition to over 20 thousand square metres with six state of the art domes.

Conclusion

In many ways, the Vibrant Gujarat Regional Conferences represent more than a sequence of events. They are an invitation to imagine the future from every district, every enterprise and every aspiring idea across the State. As Gujarat carries its story of ambition to new frontiers, these platforms will transform local energies into global possibilities, ensuring that progress is not only celebrated, but shared.
