# FROM EDUCATOR TO REVOLUTIONARY: DR. CDR. KARTIKAY SAINI'S INSPIRING QUEST FOR EDUCATION EXCELLENCE

*From a passionate idea to a powerful reality, Dr. Cdr. Kartikay Saini's belief in compassion and coexistence has grown into a transformative educational movement, making him a key force in the quest to 'Make India Great Again'.*

Dr. Cdr. Kartikay Saini exemplifies how a single belief can spark a nationwide revolution. His journey from educator to reformer showcases his exceptional leadership and deep commitment to Inclusive Education.

A former Commander in the Indian Navy and alumnus of the National Defence Academy, Dr. Saini is a highly qualified Academician holding degrees of BTech, MBA, MEco, and PhD. With over thirty years of service to the nation, he has made significant contributions in both the military and education sectors. As the Founder Chairman of Scottish High International School, Gurgaon, he has brought to the field an exceptional blend of discipline, vision, and humanitarian values.

## The Birth of a Transformative Idea

Scottish High International School, led by Dr. Saini, has grown from a heartfelt vision into a leading model of inclusive education. Since 2004, it has fostered a diverse environment where differently-abled and underprivileged students learn alongside their peers, making empathy, integration, and acceptance a lived practice.

## Pioneering Inclusive Education in India

Dr. Cdr. Kartikay Saini's impact extends well beyond the school. As former Chairman of Special Olympics India and Chair of the Unified Sports Advisory Board for Asia Pacific, he has championed disability rights globally. His service on the Board of Special Olympics International, Washington D.C., highlights his unwavering commitment to inclusion.

## A Leader Recognised Across the World

A highly respected voice in global education, Dr. Saini has spoken at major youth and education summits and been invited by Heads of State across countries, including the Dominican Republic, Azerbaijan, Mauritius, the United States, Manila, Bhutan, Bangladesh, and more.

Since 2004, it has fostered a diverse environment where differently-abled and underprivileged students learn alongside their peers, making empathy, integration, and acceptance a lived practice.**

He has been invited by Oxford University, UK, to deliver keynotes to the Academia and Scholars. He is also the SUNFO Goodwill Ambassador of Sri Lanka to India for the UN Sustainable Goals 2030. Additionally, he was awarded for his work in Inclusive Education by the President of Mauritius, His Excellency Mr. Prithvirajsing Roopun, as well as by the Govt. of Sri Lanka.

Dr. Saini stands out as an exceptional educationist with a distinguished record of over 200 prestigious awards, earned from both national and international organizations. In 2019, he was named Educationist of the Year by Forbes at the UK House of Commons. He has also been honoured with titles such as Education Stalwart by Education Today, Education Evangelista by Chetan Bhagat, Education Change Maker by Hindustan Times amongst numerous other National and International citations.

Dr. Saini's tireless efforts in Education and Inclusion have left a global footprint. He was honoured with the 2025 Global Icon of Human Potential and Sustainable Education Leadership Award at the Global Achievers Summit held at the Library of Congress, Capitol Hill, Washington, D.C. Amongst other awardees were Rt. Honourable Barry Gardiner, Sitting Member of Parliament, House of Commons UK, Ms Brittany Masalosalo, Adviser on National Security & Foreign policy to the US Vice President, and Dr. A Carole Grace, an African humanitarian leader, recipient of the Nelson Mandela Peace Award.

## A Legacy that continues to Inspire

Dr. Cdr. Kartikay Saini's work in inclusive education has impacted millions worldwide. His leadership embodies the triumph of the human spirit and shows that true progress comes from empathy, inclusion, and an unwavering courage to ensure everyone is included.
