

"The double engine government of the Centre and State is uplifting the last person of society by adopting the path and ideals of Baba Saheb Dr. BR Ambedkar. The government has implemented schemes to empower poor people, make the most backward people prosperous, and provide justice to every citizen".

- Nayab Singh Saini

The double-engine government of Haryana is committed to building world-class infrastructure. Very important for Haryana to become developed to make Viksit Bharat.

- Narendra Modi
