HOUSING PUSH GAINS PACE

Haryana is nurturing urban dreams on rural foundation

Haryana has redefined housing development with equity at its core. Through 'Housing for All', the state hasn't just built structures, it has rebuilt lives. From makeshift shelters to permanent homes marks a powerful journey on the road to social uplift and inclusive growth

The Haryana Government's vision of "a home for everyone" is steadily becoming a reality. Established in December 2020, the Housing for All Department has emerged as a beacon of hope for the economically weaker sections (EWS) and low-income groups (LIG). The mission goes beyond construction—it aims to foster dignity, empowerment, and social equity through sustainable housing.

Under the Pradhan Mantri Awas Yojana (Urban), 67,649 houses have been approved; 23,352 have been completed and 11,697 are under construction. Through Direct Benefit Transfer (DBT), 4796 beneficiaries have received ₹676.20 crore in financial aid so far; each one eligible for a subsidy of up to ₹2.5 lakh — ₹1.5 lakh from the Centre, and ₹1 lakh from the state.

CLSS: EMPOWERING HOMEOWNERSHIP

The Credit Linked Subsidy Scheme (CLSS) has fulfilled the housing aspirations of thousands. So far, 44,731 beneficiaries have availed themselves of home loans worth ₹8,461 crore, with ₹989 crore disbursed as interest subsidies.

Rural areas are also experiencing a change. Under PMAY (Rural), 28,882 permanent houses have been completed. For FY 2024–25, the state had set a target of 69,325 new homes.

In order to address urban housing needs, the Mukhyamantri Urban Housing Scheme has allotted 30-square-yard residential plots to 15,256 families across 14 towns. In 16 more cities, booking for 15,251 new plots has begun. Such colonies are being equipped with basic amenities like electricity, water, roads, and sewerage systems.

The Mukhyamantri Gramin Awas Yojana 2.0 offers 50- and 100-square-yard plots to needy rural households. While in Phase 1, 4,002 families across 62 gram panchayats and 01 mahgram panchayat have received plots, Phase 2, 8029 families across 143 panchayats have received.

So far, the state has built 22,086 flats primarily for BPL and EWS families at an investment of
