journeys tracked in real time. So far, 378 women have used this service, backed by a verified database of 94,000 working women and students.

Female officers trained in martial arts conduct self-defence workshops in schools and colleges. Ten districts, including Sonepat, Gurugram, now feature e-libraries to support continuous learning among officers.

COMBATING CYBERCRIME

With 29 cyber police stations and 700+ trained personnel, Haryana leads the fight against digital fraud. The 1930 cyber helpline runs 24/7. Between January 2023 and Oct 2025, police blocked 11.07 lakh fraudulent bank accounts, 3.05 lakh mobile numbers, and recovered or froze a staggering amount of ₹543.48 crore. Over 13,107 cyber criminals—73% from outside Haryana—were arrested.

A performance-linked model, requiring two arrests per officer per month, has helped improve case resolution and led to ₹136.99 crore in refunds to victims.

POLICE WELFARE INITIATIVES

Haryana is setting new standards in personnel welfare. Officers have been extended ₹1 crore insurance cover each for on-duty fatalities. Children of martyred officers receive free education, and 22 Police Public Schools offer 50% tuition fee concessions. Trainees now receive 20% of basic pay as allowance, along with improved rations, uniforms, and diet provisions. Allowances have also been increased across ranks.

CITIZEN SERVICES AND PUBLIC ACCESS

The Haryana Police Citizen Portal offers 30 online services, from complaint registration to case-tracking. The state consistently earned 10/10 on the State Dashboard for Citizen Services, topping national charts between 2024 and 2025.

To enhance public access, 24 community contact groups have been created, and "Mitra Kaksha" (Help Rooms) have been set up at police stations for free online complaint registration. Introduced in 2017, there are now 19 Mitra Rooms, resolving most of the grievances within a week.

PEOPLE-FRIENDLY COPS

- **Smart Policing**
  30 citizen services are available online; Haryana Police rank No. 1 nationwide on the Citizen Dashboard for digital delivery.
- **Continuous Digital Learning**
  10 new e-libraries established in police units to promote continuous digital learning and officer development.
- **Women's Safety Frontline**
  Female officers provide self-defence training in schools and colleges across the state.
- **Clean Governance**
  1,526 corruption cases registered and 355 officials convicted, setting a vigilance record.

Haryana leads the fight against digital fraud. The 1930 cyber helpline runs 24/7. Between january 2023 and july 2025, police blocked 5.72 lakh fraudulent bank accounts

REFORMING PRISONS

Haryana's Prison Department is focussed on rehabilitation. It runs 3 central and 17 district jails, housing nearly approx 26,000 inmates. New high-security and open prisons in Rohtak, Faridabad, and Karnal feature 1,200 CCTV cameras and 448 video-conferencing units.

In partnership with Indian Oil Corporation, inmate-run petrol pumps and CNG stations generated a turnover of ₹51 crore in one year. Six prisons host industrial and oil extraction units,

providing inmates with productive work. Jail radios, X-ray and dental machines, and correctional centres are helping in transforming incarceration into skill development opportunities.

ANTI-CORRUPTION VIGILANCE

Haryana's Vigilance Bureau has been proactive against corruption, registering 1,526 criminal cases between 2023 and 2025. These resulted in convictions involving 355 officials, one of the highest accountability records in the country.

By blending technology with transparency and community-driven reforms, Haryana is setting a powerful example of modern, responsive policing that puts the citizen at its core.
