JAYPEE INSTITUTE OF INFORMATION TECHNOLOGY

A multidisciplinary university promoting a robust research culture

Jaypee Institute of Information Technology (JIIT), Noida, established in 2001, was accorded the status of a Deemed to be University under Section 3 of the UGC Act, 1956, in 2004. An AICTE-approved institution, JIIT is accredited with an 'A' grade by NAAC, and its B.Tech programmes are NBA accredited for the period 2024–2027. Over the years, JIIT has built a strong reputation for academic excellence across disciplines including Computer Science & Engineering, Information Technology, Electronics & Communication Engineering, Biotechnology, Management, Sciences, and Social Sciences, offering a wide spectrum of undergraduate, postgraduate, and doctoral programmes.

Committed to interdisciplinary and industry-relevant education, JIIT integrates emerging technologies into its curricula and offers minor degrees and certificate programmes to enhance students' cross-domain competencies. In response to evolving industry needs, the Institute has introduced specialised programmes such as Artificial Intelligence & Machine Learning, Robotics & Artificial Intelligence, and computer science & engineering (Cyber Security) at the B.Tech level; Artificial Intelligence & Data Science and Robotics & Artificial Intelligence at the M.Tech level; along with the M.Des programme. JIIT is also expanding into Commerce and Journalism & Mass Communication at both undergraduate and postgraduate levels.

The fully air-conditioned, environmentally friendly campus houses world-class infrastructure, including the Ramanujan Universe High-Performance Computing Facility and advanced teaching and research laboratories spanning VLSI fabrication, 5G use cases, AI, cloud computing, biotechnology, nanotherapeutics, and brain-computer interfaces. Several Centres of Excellence support cutting-edge research, alongside the Rekhi Centre of Excellence for the Science of Happiness, which promotes well-being and holistic development.

Declaring 2021–2030 as the Decade of Innovation, JIIT has strengthened digital learning through a state-of-the-art Digital Learning Centre and launched the RIDE ecosystem to foster research, innovation, and start-ups. The Institute has published over 7,230 Scopus-indexed research papers and secured research funding exceeding ₹34.94 crore in the last five years.

With a strong placement record, a highest package of ₹94.25 lakh, and recruiters such as Atlassian, Google, Microsoft, LinkedIn, Amazon, Goldman Sachs, American Express, ION Group, CISCO, PayPal India, Cadence, STMicro electronics, Intel, SAP Labs, JP Morgan Chase & Co., and Oracle Financial Services, among others. JIIT continues to expand its footprint with a new campus at Greater Noida, aligned with the National Education Policy.

EMPOWERING MINDS, NURTURING SPIRITS
THE HOLISTIC APPROACH OF SWAMI VIVEKANAND SUBHARTI UNIVERSITY

The serene environment and lush green surroundings of Swami Vivekanand Subharti University (SVSU) provide a mesmerizing setting for higher attainments not only in the professional careers of the students but also contribute significantly to their physical, mental, spiritual and intellectual growth. The university offers every student an equal opportunity for boundless growth through an integrated structure of curricular, co-curricular and extra- curricular activities.

At SVSU, students are at center of all our academic and co-curricular activities. We work to bring out the best in our students and prepare them to become competent enough to meet the challenges of today's world. Our learned and dedicated faculty members create an exciting and friendly environment conducive for learning. We focus on professional development of our students along with their spiritual growth in order to equip them with the knowledge and the skill necessary to play a leading role in different sectors as well as making them grow into moral persons ready to rid the society of its deep-rooted evils.

SVSU in unwavering in its resolve to contribute to National's development as a 'Centre of Excellence' with a wonderful potential to develop confident leaders, self-sufficient thinkers resourceful entrepreneurs and great human beings.

SVSU is more than just a university- it is a movement that transforms the lives of youngsters.

SVSU inspires and helps in realizing dreams, ignite curiosity, motivate actions, and defines the vision for tomorrow by following its guiding principle as pronounced by Swami Vivekanand, " Educate our people, so that they may be able to solve their own problems. Until that is done, all these ideals will remain ideals only."
