INSPIRED BY COURAGE, DRIVEN BY CARE

ISIC's Journey in Transforming Multispeciality Healthcare

Established in 1997, ISIC Multispeciality Hospital is a premier healthcare institution founded on the visionary legacy of Maj. HPS Ahluwalia, a Padma Bhushan and Padma Shri awardee whose resilience continues to drive our mission of clinical excellence. Over the decades, the hospital has evolved into a global leader in multispeciality care, distinguished by its world-class Centers of Excellence in Cardiac Sciences, Gastroenterology, Neurosciences, Robotics, Kidney Transplant, Orthopaedics, Renal Sciences, Rheumatology, and Spine Surgery. By integrating cutting-edge medical technology with a patient-first philosophy, the ISIC Multispeciality Hospital provides comprehensive management and innovative treatments across a diverse range of medical disciplines.

The hospital operates a 200-bed facility designed as a completely barrier-free environment, optimized for medical management, research, and intensive rehabilitation. The infrastructure features state-of-the-art Critical Care Units, six advanced operation theatres, and 24-hour emergency and pharmacy services, with strategic plans for further bed expansion in the coming years. Committed to scientific expertise and the restoration of patient independence, ISIC continues to set benchmarks in healthcare by combining advanced diagnostic facilities with a compassionate approach to healing. Patients seeking specialized consultations can access services through the ISIC Appointment Portal to connect with our leading medical experts or call at 9355300600 or visit at www.isichealthcare.org

DR. LAKSHYARAJ SINGH JI MEWAR

A LEGACY OF SERVICE: CENTURIES OF COMMITMENT TO SOCIETY

Shriji Huzur Dr. Lakshyaraj Singh ji Mewar of Udaipur is a modern royal and 77th custodian of a 1500-year-old legacy, blending tradition with progressive thought. Embodying the spirit of 54th Custodian of the House of Mewar, Maharana Pratap, he promotes education, environmental conservation, heritage preservation, and youth empowerment. He funds education for a girls' government school in Udaipur and also impacting over thousands of students by combining academics with arts, carfts and robotics. He champions women's empowerment, animal welfare, and supports army widows. As Chairman and Managing Trustee of the Maharana of Mewar Charitable Foundation, he revitalizes heritage sites and promotes Udaipur's art globally. With nine Guinness World Records for environmental efforts like mass clothing donations, reforestation drives, and stress-management lessons for students, he embodies the ethos of his motto "grow through life, not just go through life". Through the HRH Group and as Taj Hotels' Ambassador, Shriji boosts heritage tourism.

A Renaissance man, he is an artist, chef, photographer, and aero-modeling enthusiast. With degrees in hotel management and MBA in HR, while pursuing a PhD in stress management, Shriji embodies cultural pride, modernity, and purposeful action.
