Building a World-Class Learning Ecosystem: The Vision of Ryan Pinto

Mr. Ryan Pinto
CEO, Ryan Group of Schools

NEXT-GEN LEADERSHIP

As CEO of Ryan Group of Institutions, Ryan Pinto leads over 150 schools educating more than 250,000 students annually. Building on the legacy of founders Dr. A. F. Pinto and Dr. Grace Pinto, he champions a globally focused education ecosystem. Under his leadership, the group is evolving from a traditional K–12 network into a future-ready platform that prepares students for digital, entrepreneurial, and global leadership in a rapidly changing world.

BUILDING FUTURE-READY SKILLS THROUGH CUTTING-EDGE PROGRAMS

Ryan Group empowers students, parents, and educators with innovative technology and immersive learning experiences:

- Atal Tinkering Labs (ATL): Hands-on innovation hubs where students explore robotics, coding, AI, electronics, and 3D printing to build projects such as AI-driven safety devices and sustainable solutions.
- Ryan OS: An all-in-one digital platform for students, parents, and teachers offering daily curriculum updates, attendance tracking, assignments, and seamless communication.
- My Class Board (MCB) Portal: A personalized portal enabling parents to monitor academic performance, homework, and school announcements, fostering strong home-school engagement.
- Ryan E-Learning: Comprehensive online classes with live teaching, interactive content, and assessments that ensure uninterrupted, quality learning anytime, anywhere.
- Ryan TV & Media Studio: A creative platform where students learn media production skills, engage in filmmaking, and showcase talents on global stages.
- Global Collaborations: Partnerships with organizations such as PennHub and College Board provide scholarships, competitions, and cultural exchange opportunities.

EMPOWERING HOLISTIC DEVELOPMENT WITH REAL-WORLD EXPOSURE

Co-curricular programs foster confident leaders for the global stage:

- TED-Ed Clubs nurture public speaking and critical thinking.
- School Parliament and KidsMBA foster leadership and entrepreneurial spirit.
- Partnerships with Junior NBA, La Liga Football, and Mahesh Bhupathi Tennis Academy provide professional-grade sports training and discipline.
- Students gain international exposure through events like the World Scholar's Cup and the Ryan International Children Festival, building cross-cultural competencies.

EQUITY, COMMUNITY, AND VALUES

The group integrates scholarships and special education support to ensure quality education is accessible. Initiatives like Each One, Teach One promote equitable access, while leadership boot camps instill social responsibility alongside academic excellence.

GREEN LEGACY AT 50 YEARS

Marking its golden jubilee, Ryan Group launched India's largest school-led tree plantation drive with Rotary, planting 50,000 saplings in a single day as a Guinness World Record attempt, and aiming for 1 million trees over the year network-wide. Driven by students, this initiative exemplifies Ryan Group's commitment to academic excellence combined with sustainability leadership.
