

As a key step, the newly formed 28 Krishi Upaj Mandis (agricultural produce markets) have been linked to the Modi government's National Agriculture Market (e-NAM). In this way, all 173 agricultural produce markets in the state are now connected to e-NAM, giving farmers a better opportunity to sell their produce at fair prices.

## A PLEASANT JOURNEY

### Transforming Roads, Transforming Lives

It is said that good roads bring development and Chief Minister Bhajanlal Sharma has made commendable efforts in this direction. Over the past two years, ₹27,860 crore has been spent on constructing 39,891 kilometres of roads. 16,430 kilometres of new roads were made, daily 23km long roads were made, Under the Pradhan Mantri Gram Sadak Yojana, 3,139 kilometres of rural roads have been repaired and renewed. Additionally 5000 roads were given the status of District Main Road, 1643 habitations were connected by roads for the first time. In villages, Rs 813 crore was sanction for 327 Grameen Atal Pragati Paths, 24 ROBs/RUBs completed and work on 47 in progress. 11 high level bridges completed and work on 15 in progress. Another major achievement is the provision of FASTag facilities at all 165 toll plazas in the state.

## FARMERS' INCOME TRIPLED

### Dairy, Fisheries and Animal Care Strengthen Rural Economy

Government purchase of 33.42 lakh tonne on support price from 2.66 lakh farmers and a bonus of ₹471.16 crore is increasing the income of farmers in the state. Payment of Rs 8191 crore to 5 lakh farmers on government purchase of 12.60 lakh MT of pulses and oilseeds. Farmers are not limited to agriculture alone, they also earn from animal husbandry (milk, eggs) and fish farming, which forms a third source of income. Chief Minister Bhajanlal Sharma has taken initiatives in both livestock and fisheries. Concerned about the declining population of camels, the "ships of the desert," assistance for raising newborn camels has been increased from ₹10,000 to ₹20,000. For dairy and livestock activities, 3.96 lakh farmers have been issued Kisan Credit Cards. Significant progress has also been made in fish farming, resulting in 2.02 lakh metric tons of fish production and 2,834 million fry seed production.
