

INDIA TODAY
INFRASTRUCTURE CONCLAVE
2026

THE FUTURE IS HERE

THE THIRD ANNUAL EDITION OF THE INDIA TODAY INFRASTRUCTURE CONCLAVE SAW CABINET MINISTERS, POLICYMAKERS AND CHAMPIONS OF INDUSTRY WEIGH IN ON THE GAINS MADE IN MANUFACTURING AND TRANSPORT—AND THE LONG ROAD THAT LIES AHEAD

"Hydrogen from biomass or organic waste is the fuel of the future. I want to bring its cost to $1/kg"

"Within two years, our national highway network will be equivalent to that of the United States"

"By this year's end, we'll have barrier-free tolls. You can pass at 80 kmph without cash, paying with FASTag, cards or UPI"

NITIN GADKARI

Union Minister of Road Transport and Highways
