

## INFRASTRUCTURE FOR TEXTILE EXPORTS

**ROHIT KANSAL**
*Additional Secretary, Ministry of Textiles*

"Tiruppur is one of India's best-in-class knitwear clusters. It not only contributes Rs 50,000 crores of exports but is also one of India's most sustainable clusters"

**"We are setting up seven PM Mitra Parks throughout the country, wherein each park is at least 1,000 acres large and aims to build an integrated value chain for textiles, from raw material to shared facilities and exports"**

## INDIA'S AVIATION BOOM: SCALING AFFORDABLE AIR TRAVEL FOR THE NEXT BILLION FLIERS

INDIA TODAY INFRASTRUCTURE CONCLAVE 2026

**"The success of Akasa Air is not contingent on somebody else's failure. We're not looking to beat anyone. We're looking to serve our customers well"**

"If you go to the jungles of Africa where you find gorillas, you find plenty of other smaller animals too that are thriving"

**VINAY DUBE,** *CEO, Akasa Air*

**SUSANTA KUMAR PUROHIT,** *Chairperson, V.O. Chidambaranar Port Authority*

**"In 18 months, commissioning three berths is a major capacity leap for any port. With the Rs 15,000 crore Outer Harbour project, Tuticorin is positioning itself as the transshipment hub of India's east coast. We are building capacity ahead of demands"**

"All ports must now focus on three priorities: expanding cargo capacity, driving green and pollution-control initiatives, and deploying AI and advanced IT systems to boost efficiency and competitiveness"
