Forward Ever: Women Leading with Purpose

Dr. Grace Pinto
Managing Director
Ryan Group of Schools

Women's Day is a celebration of the extraordinary spirit of women — their courage, compassion, wisdom, and unwavering commitment to shaping a better world. It is a day to honor not only renowned achievers, but also the countless unsung heroes whose quiet sacrifices and determined efforts continue to strengthen families, institutions, and nations.

As we commemorate International Women's Day 2026, the theme "Give To Gain" reminds us of a powerful truth: when women give of their knowledge, time, encouragement, and love, they gain strength, growth, and collective progress in return. Every act of mentorship creates a leader. Every word of encouragement builds confidence. Every opportunity shared multiplies possibilities. The spirit of "Give To Gain" calls upon us to Support dreams — our own and those of others — with courage and conviction and celebrate every woman's success as a shared victory.

Over the past five decades, Ryan and Xavier's Group has been privileged to witness the transformative influence of women in education. With dedication and dignity, women educators and leaders have nurtured young minds, instilled values, strengthened families, and built vibrant communities. Their contribution goes far beyond classrooms — it shapes generations.

When one woman rises, she lifts many others with her. True empowerment lies not just in personal achievement, but in creating pathways for others to succeed. Education remains one of the most powerful tools of transformation. An educated woman transforms her family, strengthens society, and influences generations to come. With education in hand and confidence in heart, women become architects of change and torchbearers of progress.

We wish and pray that may this Women's Day inspire every woman to recognize her immense potential. Continue to give your brilliance, your resilience, your compassion — and in doing so, gain strength, fulfillment, and boundless growth.

Keep shining. Keep inspiring. Keep moving forward — for the future is shaped by your vision and courage. Wishing you a joyful and empowering Women's Day!

Dr. Grace Pinto is the Managing Director of the Ryan Group of Schools, a premier K–12 education network with a distinguished legacy of over 50 years. A visionary educationist and institution builder, she has played a transformative role in advancing value-based, holistic education across India and internationally. She has been conferred with the Mahatma Award 2025 for Lifetime Achievement and Business Leadership, recognising her exceptional contributions to education and social impact. Her leadership reflects a deep commitment to nation-building, sustainability, and women's empowerment within the academic ecosystem. Guided by the belief that education is the most powerful catalyst for change, Dr. Pinto continues to inspire future-ready global citizens while reinforcing the spirit of giving back to society.
