SHAPING NEW LEADERS WITH ETHICS

BETTING BIG ON AI AND DIGITAL THINKING, MDI GURGAON HELPS STUDENTS DEVELOP SOCIAL AND EMOTIONAL SKILLS TOO

By Shelly Anand

WITH OVER 1,500 STUDENTS ACROSS DIFFERENT PROGRAMMES, the Management Development Institute, or MDI Gurgaon, focuses on developing leaders with ethics through experience-based learning. The institute has outbound leadership labs, mindfulness workshops and social immersion programmes to help students develop emotional and social intelligence and teamwork skills, along with academic rigour.

Founded in 1972, MDI Gurgaon offers master's programmes in General Management, Human Resources, International Business (dual degree), and Business Analytics. From the next academic session, it will start a
