The Congress weakness is that it is a liberal and democratic party where a leader can come out and protest. Can anyone in the BJP do this?

The BJP doesn't have any representation and can't win elections in the South. So they want to take revenge on us, find new ways to punish the southern states

A. REVANTH REDDY
Chief Minister, Telangana

KEY TAKEAWAYS

- **The delimitation move favours the North and strengthens the BJP. The southern states must fight it unitedly**
- **You are already doing SC/ST census, so why not a caste census and extend reservations to deserving sections?**
- **Hyderabad's competition is not with Ahmedabad or Mumbai, it is with New York and Tokyo. Telangana model is the best**

TELANGANA'S TRANSFORMER

REVANTH IS MORE THAN READY

Telangana chief minister Anumula Revanth Reddy, 55, is a man in a hurry. Speaking at the India Today Conclave, the first-time CM said his top priorities were making capital city Hyderabad future-ready, which includes making a bid for the 2036 Olympics. "We have already hosted international sporting events like the Afro Asian Games. We also have very good infrastructure and homegrown, world-class performers like Nikhat Zareen, Sania Mirza and P.V. Sindhu. Our infrastructure is 100 times better than Ahmedabad," declared Revanth, positioning Hyderabad as a direct competitor to the Gujarat capital for the sporting spectacle. Besides the Olympics, his lament is the absence of a level playing field. "Modiji is giving the Ahmedabad Gift City an unfair advantage by allowing foreign investors to take back profits. Why not give this to Hyderabad too?" he asks. Even so, Telangana, he asserted, is ready to take on any comers. An exclusive agency has been set up to develop a 30,000-acre Future City. "The Gujarat model is the outdated Test match model while Telangana is the Twenty20 model, one that can be adopted for the whole country, as it provides for development, welfare and good governance," says Reddy. The CM also accused the BJP of taking "revenge" on the southern states through the proposed delimitation exercise and urged the Centre to hold an all-party meeting on the issue. ■
